

Go around by taxi Shounai Trip

Tsuruoka

A castletown in Shonai with an harvest of 140,000-koku (1koku=150kg of rice)

Sakata

Harbor town that prospered through the Kitamae ships during the Edo Period

ENGLISH

Tsuruoka City Single-day Trip Model Plan **A**

Mid-sized taxi (2 seats) JPY **23,000** per passenger
Jumbo (6 seats) JPY **13,000** per passenger

-It is left to the client about registration and payment for travelling to Shounai airport from Haneda airport.
-The model plan fee is inclusive of the entrance fees and the meal charges. Please pay the taxi driver on the day itself.
*The drivers can only understand Japanese.

Togashi Candle Shop

This candle shop preserved the technique considered to be the best in Japan at the time of Shogun Ienari. A priceless shop where you can paint designs giving free reign to your imagination. It enjoys popularity even among tourists from overseas.
Closed on the 3rd Sunday of the month

Shonai Products Center

Products that can only be found in the Shonai region. Over 500 types of souvenirs available. Closed on the 3rd Sunday of the month

Kurayashiki LUNA (Lunch)

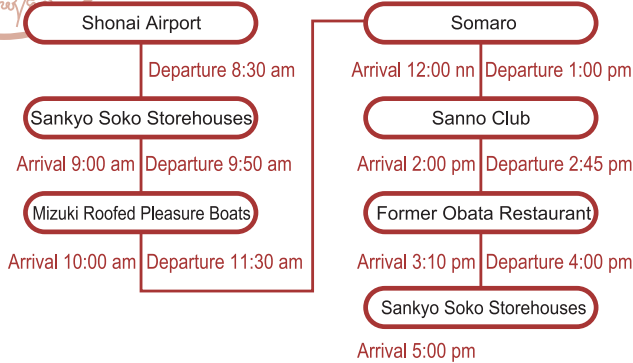

A storehouse retaining its old world ambience, with local seasonal dishes served on beautiful tableware, where you can enjoy good food and a relaxing atmosphere.
Closed on Mondays

Kamo Aquarium

Small and huge aquariums where you can have your fill of 30-40 types of jellyfish that are boasted to be the best in the world. The gently floating jellyfish in the dim light are living treasures! Come and partake the special soothing powers of their magical world.

Sakata City Single-day Trip Model Plan **B**

Mid-sized taxis (2 seats) JPY **25,000** per passenger
Jumbo (6 seats) JPY **15,000** per passenger

-It is left to the client about registration and payment for travelling to Shounai airport from Haneda airport.
-The model plan fee is inclusive of the entrance fees and the meal charges. Please pay the taxi driver on the day itself.
*The drivers can only understand Japanese.

Sankyo Soko Storehouses

They were built as the associated storehouses for the Sakata rice-exchanges. Even after more than a hundred years since their construction, they are still being used as agricultural storehouses today. They consist of the "Yume no Kura" (Dream Club) which has an exhibit of Jusaboro Tsujimura's dolls and the "Sachi no Yakata" (Hall of Bounty) where souvenirs are sold.

Somaro

The "Somaya" which was loved as a traditional restaurant in the Edo period was reborn as the Maiko dancing tea house "Somaro". The dance of the maiko girls are a must-see. You can enjoy the Maiko lunch, green tea and sweets, Hina dolls, an exhibit of Takehisa Yumeji's works and a lot more.
Closed on Wednesdays

Mizuki Roofed Pleasure Boats

You can have your fill of the scenery of each season and drifting gently across Nishiki-machi, Sakata in Mizuki Roofed Pleasure Boats.

Sanno Club

Displays beautiful gaily-colored "Kasafuku" (luck umbrellas) which were made with silk crepe to pray for the prosperity of your children and the flourishing of your business. You can also experience making your own kasafuku.
